

New Club in DBHS !

The Go Club

It is an extremely popular mind game that has at least 100 times the amount of variations in chess. It is one of the most complex and strategic games in the world.

Why Join Go Club?

1. You are able learn this great strategic game from our president, Yunxuan Li. He played the game for almost 10 years and has a lot of interesting ideas from traveling in Asia.
2. You are able to develop the use of logic, calculation, and imagination in activities other than Go
3. You are able to participate in many competition our club offers. You will also be able to compete against neighboring schools such as Troy to bring honor to our school.
4. It is 100% free to join!! No fees needed!!!!
